A Word from Denise Wagner

Artistic Director

There are many dance opportunities for your child. Let me know exactly what you want to get out of dance the question is – What do you want?

...**Progress report.** A student who wants to move up to a higher level of dance has a different set of goals than a dancer who takes one or two classes per week.

...**Point shoes.** Each dancer's age & technique is evaluated for the correct time to begin Pointe shoes.

...**Performance Team.** If your child wants to audition for our DANCE ELITE performance team, the time to prepare is now! Let's talk about performance team benefits & how to get your child ready for the audition.
